

Molecular Biosciences Faculty Activity Report: 9/1/2016 - 8/31/2017

Name:			Title:	
Number of original research publications (NOT submitted or in prep.):	Since 09/01/2016	Since 01/01/2015	Number of reviews & book chapters:	
Total active grant dollars for the past academic year (direct costs, prorated CoPI amounts):				
Teaching Summary: Teaching Load (Check one): <input type="radio"/> 1:0 <input type="radio"/> 1:1 <input type="radio"/> 2:1 <input type="radio"/> 2:2 <input type="radio"/> Other:_____				
Course Number	Title	Enrollment	CIS: Instructor / course	
Course Number	Title	Enrollment	CIS: Instructor / course	
Course Number	Title	Enrollment	CIS: Instructor / course	
Course Number	Title	Enrollment	CIS: Instructor / course	
Service Summary: Provide a summary of the number of committees you served on in each category. Designate chaired committees with a C. More details of service and level of effort can be listed on a subsequent page.				
Departmental committees:	College/University committees:	Graduate prelim exams:	Thesis committees:	National (study sections, meetings organized, editorial positions ...)
<p>Short Research Summary: Briefly summarize your research and what you consider to be the most important contributions you have made during the past year.</p>				

Honors and Awards during the past academic year (September 1 to August 31):

Active Research Grants: during the past academic year (September 1 to August 31). For each grant list the funding agency, title, starting and ending dates of the award and total and annual direct costs. You can copy and paste your "other support" page. You may also list grant applications submitted but not yet funded but clearly separate these from your active grants.

Teaching Narrative: For each course you taught, please provide a brief narrative of the importance of the course and your goals in teaching plus any other pertinent information you would like the committee to consider. Please indicate courses that are co-taught and your effort in these courses. Describe any innovative approaches to teaching and include if you participated in a TIDES or other workshop to improve your teaching effectiveness.

Graduate Students Supervised: List the graduate students in your lab during the past academic year (September 1 to August 31). Indicate any who have received a fellowship or graduated with an MS or Ph.D.

Postdocs and Research Associates Supervised: List the postdocs and research associates supervised during the past academic year (September 1 to August 31). Indicate any who have secured a job in academics or industry.

Undergraduate Students Supervised: List the undergraduate students in your lab during the past academic year (September 1 to August 31). Indicate any who have received a fellowship or graduated with a B.A. or B.S.

Service: Provide a detailed description of service during the past academic year (September 1 to August 31). Include service to the Department, College and University (committees) and to the Scientific Community (meetings organized, service on study sections, editorial boards) and other significant work performed in service. Please list your service in order from most to least effort required and for your major committee assignments describe your level of effort (hours involved per week, month, semester or year – whatever works best for you).

Other Activities: Detailed description during the past academic year (September 1 to August 31). Here, you can describe any additional materials you want the workload committee to consider.

Scholarly and Creative Works and Presentations: Copy and paste below a list of your publications for the past 2 ¾ years, followed by a list of presentations given for the past 2 ¾ years. That is, for the 2016-2017 academic year, list all of your papers having publication dates from 2015, 2016 and 2017 up to August 31. Do not include papers submitted, in revision or in press since they will be counted next year.
